## VOLUNTEERING

### **Chu Van An High School | Hanoi, Vietnam**

*Sep 2018 – June 2021*

As an active club member, I played a significant role in organizing and performing during the school's communal periods every Monday. This commitment allowed me to acquire essential communication, organization, and decision-making skills. Through my involvement, I gained valuable experience planning and coordinating events, effectively communicating with team members, and managing people to achieve the best possible outcomes. This experience has given me a strong foundation in teamwork and event management, which I believe can be applied to excel professionally.

### **Local sub-quarter | Hanoi, Vietnam**

*February 2022*

I have actively engaged in community activities as part of my commitment to giving back. This involvement includes participating in tasks like rubbish removal, where I contributed to maintaining a clean and safe environment for our community. Additionally, I've taken on the responsibility of organizing children's events to enhance the neighbourhood's social cohesion and provide young residents with enjoyable and educational experiences. These experiences have taught me the value of teamwork, community engagement, and the satisfaction of positively impacting the local area.

### **Volunteering for Legs for Literacy | Moncton, NB, Canada**

*October 2023*

As a Course Marshal, I have had the privilege of serving as a motivator and guide for runners during Greater Moncton's Premier Running Event. My primary responsibility is to provide clear direction signals and words of encouragement to keep runners on the right track. This involves ensuring that participants follow the designated route and maintain their momentum to achieve their best performance. I take pride in my ability to inspire and support runners, fostering a positive and focused atmosphere during these events.

## HOBBIES & INTERESTS

**Techie:** Ever since I got my first cell phone, I developed a keen interest in reading news, delving into the details, and understanding various technologies, particularly computer hardware and software. This hobby has allowed me to stay informed about the latest advancements in the tech industry, expand my knowledge, and satisfy my curiosity. Exploring the world of technology has become a fascinating and fulfilling pastime for me, fuelling my passion for understanding how things work and staying up to date with the ever-evolving tech landscape.

**Video Games:** One of my favourite pastimes is playing video games. I thoroughly enjoy spending my free time immersed in virtual worlds and engaging in interactive storytelling. It provides me with a sense of adventure, challenges my critical thinking skills, and allows me to connect with friends and players from around the world. Gaming is not only a hobby for me but also a way to relax and unwind after a busy day. It brings me joy, excitement, and endless opportunities for exploration and entertainment.
