I am an international IT student and bring a unique blend of technical proficiency and customer service skills. My strong teamwork and interpersonal skills and proficiency in MS Word, MS Excel, and MS Outlook enable me to tackle technical challenges effectively. My communication skills, attention to detail, and multitasking abilities, enhanced by my positive attitude and diligence, allow me to manage multiple responsibilities efficiently. Fluent in English and Vietnamese, I can interact effectively in multicultural environments. I am eager to leverage these skills to gain diverse experiences in any field.

PROJECTS

Personal Portfolio   View Code
Developed a portfolio demo using <u>HTML</u>, <u>CSS</u>, <u>JavaScript</u>, <u>TypeScript</u>, and <u>AngularJS</u>. This project showcases my problem-solving, idea-generation skills, and understanding of website development.

Bookstore   View Code
Developed a web project using <u>ReactJS</u>, backend <u>CRUD</u> operations, <u>routing</u>, and <u>MongoDB</u>. Also handled <u>CORS</u> policies. Enhanced skills in <u>HTML</u>, <u>CSS</u>, and <u>JavaScript</u>, gaining a holistic understanding of web development.

Employee Management   View Code
Developed an employee management website as a practical application of <u>HTML</u>, <u>CSS</u>, <u>JavaScript</u>, <u>TypeScript</u>, and <u>AngularJS</u>. This project serves as a platform for skill enhancement and hands-on experience in web development.

Retro Snake Game   Live Demo | View Code
Developed a retro snake game using <u>HTML</u>, <u>CSS</u>, and <u>JavaScript</u> to gain hands-on understanding of fundamental game development.

Pacman   Live Demo | View Code
Developed a Pacman game, following my previous project on a retro snake game, to deepen my understanding of <u>HTML</u>, <u>CSS</u>, and <u>JavaScript</u>.

Tetris   View Code
In my pursuit of software development mastery, I've developed a Tetris game using <u>C++</u>, <u>OOP</u>, and the <u>raylib library</u>. This project showcases my growing proficiency in these areas.
